

**PARKERS PRAIRIE SCHOOL DISTRICT**  
**Community Use of Facilities/Equipment**

The Parkers Prairie School District desires to cooperate with other governmental agencies and community organizations by making available school facilities **as long as their use will not be in conflict with ongoing educational programs.**

**GROUP CLASSIFICATION:**

The following classification and rate system has been developed in order to schedule facilities/equipment in a fair and equitable manner to all groups and organizations concerned. All groups will be categorized under one of the following classifications:

**CLASS I** School Groups (i.e. school clubs, adult education, athletic events, community education programs etc.) All school activities, school clubs or other school classes held after regular school hours shall be permitted the use of facilities on a no-charge basis during regular school hours when custodians are on duty and after proper scheduling on the school calendar. **School groups always have first priority on facility usage.**

**CLASS II** Community groups (i.e. Scout Groups, 4-H, Civic Clubs, Service Organizations, Gov't. Units, Youth Groups, etc.) Community groups shall be permitted the use of the facilities free during regular hours when custodians are on duty, **AND PROVIDED EXTRA TIME IS NOT REQUIRED FOR SETTING UP OR CLEANING MEETING AREAS.** When custodial services are required, community groups will be billed for custodial time **with a 1 hr. minimum** at the employee's current hourly rate of pay.

**CLASS III** Other groups (i.e. Cooperatives, Businesses, Church Services, etc.) Other groups may rent school facilities only outside of regular school hours. **School activities shall have preference at all times.** Fees shall include such things as: Facility usage, extra custodial time, food service personnel, unlock/locking up of the building.
