

Meal Prices

School meals, breakfast and lunch including milk, will be free to all students this 2021-22 school year. However if your child brings a home lunch and wants a milk there will be a charge \$ 0.30 per carton. Milk at milk break (morning or afternoon snack time) will have an additional charge, see prices below.

Families are still encouraged to apply for benefits. Each eligible student qualifies the district to receive additional funds to be used for the education of all children.

To apply for free or reduced-price school meals, complete the Application for Education Benefits form that was mailing to you or call 218-338-4079, ext. 401 for an application.
