

Accessing the Parent Module

The jmc Parent Module serves as the window into the school for families of students. Here, you can keep up to date on attendance, grades, GPA, graduation requirements, lunch account, and so much more!

To begin, go to your district's jmc site. For example, <https://yourdistrict.onlinejmc.com>

Step 1:

This is the jmc online access home screen for your school!

Step 2:

Click "Parents"

Helpful Tip: After visiting the Parent Module for the first time, you can bookmark the site for easy future access.

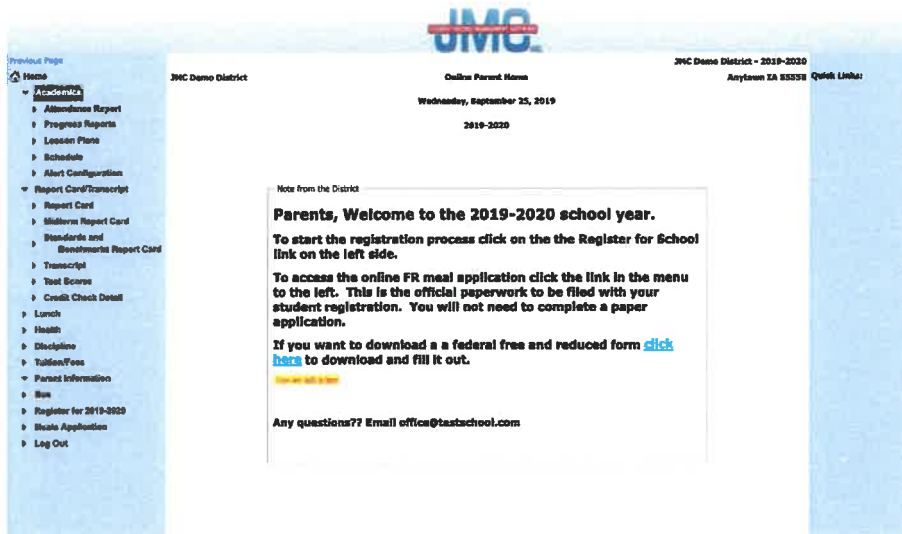

Step 1:

Enter your Username (usually your last name)

Step 2:

Enter your password and hit "Login".

Helpful Tip: Make sure that you are logging into the correct school year!

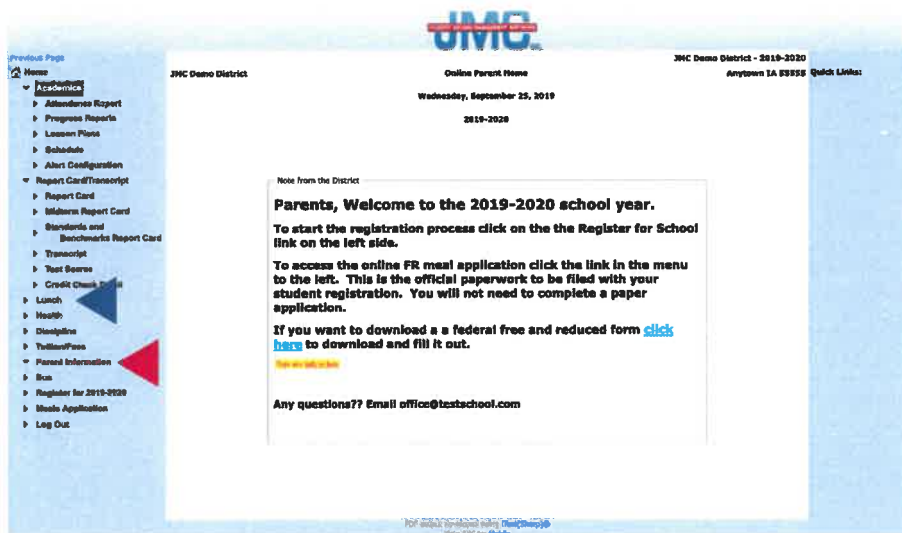

Note:

After login, you'll be taken to this screen.

Note:

The district can change the welcome message to disseminate knowledge.

Helpful Tip: Not every option on the left is available at every school.

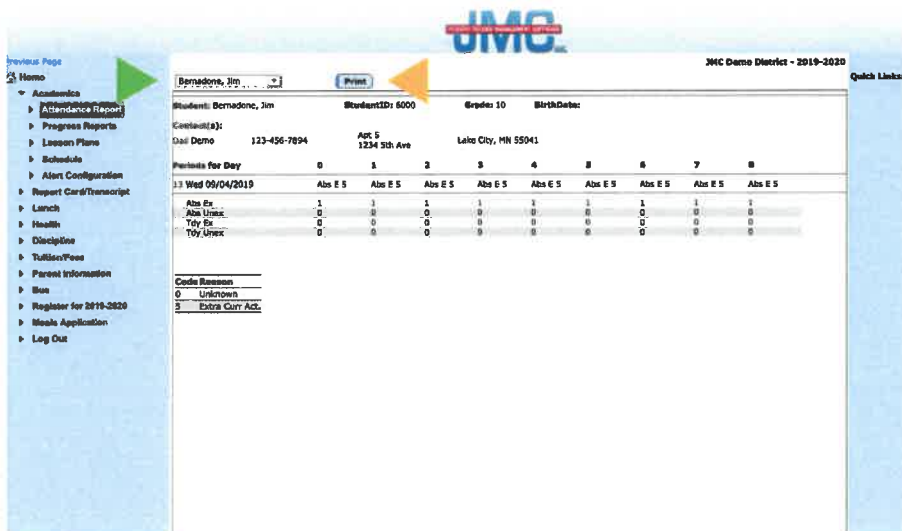

Step 1:

Check a family lunch account here!

Step 2:

Update family contact information here!

Fun Fact: Under "Academics" you can create an Alert to be notified of a poor or missing score, tardy, or absence!

Step 1:

Most screens have a drop-down box to toggle between siblings.

Step 2:

Many menu options have Print or Export functionality!

Fun Fact: Ready to apply for scholarships? No more need to bug the school Guidance Counselor for transcripts!
